

ARDGOWAN HOUSE
CASTLE & GARDENS

BAGPIPE EXPERIENCE

Having belonged to the same family for over 600 years, Ardgowan is steeped in history, mythology and romance. Unlike traditional house tours, the Ardgowan experience is a lively journey through Scottish history, local lore and social history, all enriched with colourful family anecdotes.

Prior to the tour, guests will be welcomed with afternoon tea & light refreshments. Post tour, guests will be able to experience the sight, sounds, feel and history of the iconic bagpipes – Scotland's most distinctive instrument – in a private workshop with our award winning piper.
